September 5, 2017

Dear Parents and Guardians,

The 2017-18 school year Free and Reduced Meal Applications are now available online. The applications can be found at www.lunchapplication.com or on the web page of your child's school.

If you do not have computer and/or internet access, please stop by the main office of the school that your youngest child attends. A computer is available for your use.

There are many benefits to completing an online Free and Reduced Meal application. Most importantly, you will receive a quicker decision regarding your child's free or reduced meal status.

You will receive notice in the mail shortly after applying regarding your child's free and reduced meal status for the 2017-18 school year. If you do not receive notice in the mail, please contact the school that your child attends for assistance.

If you would like to fill out a paper copy of the application, please stop in the main office of the school where your youngest child attends and complete an application.

Please contact me at the number listed above with any questions on this streamlined process for completing the Free and Reduced Meal Application.

Thank you,

Matthew Leonardis
