

# Hillside High School Phil Rizzuto Field

## Buy a Brick

We are fundraising for the High School - Rizzuto "Walk of Fame" one brick at a time. Purchase a brick for \$100.00 and help support the project while showing your school spirit at the same time. The bricks will be the walkway to the entrance of the new athletic field behind the High School. The completion of the renovation project is estimated for the spring of 2012. Please return this form along with your name, address and phone number. Make checks payable to "Hillside Board of Education" and submit to the Hillside Board of Education at 195 Virginia Street, Hillside, NJ 07205.
