

Grades 3 & 4 Summer Reading

Reading is very important over the summer. Students need to stay engaged with reading and learning, so they do not suffer the “Summer Slide”, (the loss of skills). Reading during July and August will help your child practice skills and grow as a learner. Not only will they experience faraway places, learn a fun fact about an animal or help solve a mystery, they will also learn new vocabulary, reinforce their grammar and writing skills.

Students in Third & Fourth Grade are to read as many books as possible. Choose your favorite book and write a summary about the story. Be sure to include the title and author. Challenge yourself to complete as many activities on the bingo board as possible. Mark off the ones you complete. Keep a list on the back of the books you read. Let’s see who can read the most!

Return your summer reading log to your teacher by September 6, 2019.

*Be sure to join the Hillside Public Library Summer Reading Club:
Space Aliens: Escape from Earth! The kickoff is June 17, 2019 @ 4:00pm.*

Happy Reading
