

NATIONAL JUNIOR HONOR SOCIETY

Advisor: Ms. Cheung

National Junior Honor Society is a nationally recognized organization committed to academic excellence and community service. 8th grade students must apply to participate and will be invited to the first meeting based on their 7th grade year total academic score of 88% or higher. If accepted, a minimum of 25 hours of community service must be completed during your 8th grade year to maintain good standing.

- Meeting Time: Once a month

JUNIOR ENGINEERING CLUB

Advisors: Ms. Jewell and Dr. Eisenberg

In the Junior Engineering Club students work on six engineering projects during the course of the year. Youth work in teams to design their project, test it, and make adjustments — repeating the process as they try to optimize their design. Balls and Tracks, Gliders, Paper Bridges, Rubber Band-Powered Cars, Straw Rockets, and Trebuchets are some of the projects.

- Meeting Time: Twice a month
- Where: Room 22

W.O.K. CLUBS 2018-2019

JAZZ & BLUES ENSEMBLE

Advisor: Mr. Grizzell

Jazz and Blues Ensemble is for students who love music and love to perform! The goal is to perform jazz and blues music at school and community events.

- Meeting Time: Every week
- Where: Front Auditorium

MULTICULTURAL CLUB

Advisor: Ms. Mathura

Multicultural Club Would you like to celebrate who you are and where you come from? Would you like to tell us more about your culture? Then the Multicultural Club is just the club for you. Come celebrate the diversity that makes this school so **AWE-SOME!** Contests and other activities will be created by the club in order to help celebrate the various cultural backgrounds of our club members. There is also the annual International Night!

Meeting Days/Times: Twice a month

Meeting Location: Room 29

NEWSPAPER CLUB

Advisor: Mrs. Awad

Newspaper Club Students will create the school's newspaper, The Wildcat, from start to finish. They will select the topics that go into the newspaper and design the layout. They will learn how to write feature articles, advice columns, create reviews of topics such as entertainment and books, and conduct surveys and interviews. Students will focus on school news and local news, as well as other topics of interest.

- Meeting Time: Twice a month
- Where: Room 1 or Room 2

STUDENT GOVERNMENT ASSN

Advisors: Ms. Grimes and Mrs. Giro

Student Government Association: Goals include, but are not limited to, creating future leaders and helping students take on leadership roles in the school and community. Student Government provides the opportunity for students to enhance public speaking by campaigning and running for office. It also enhances the student's school experience by fostering community service, engaging in cooperative activities, and instilling a sense of service and pride toward his/her academic team as well as the school. Students will meet with administrators quarterly/monthly to share various topics pertaining to WOK.

- Meeting Time: Twice a month

MY SISTER'S KEEPER

Advisor: TBA

This girls' club focuses on health, fitness, literacy, sisterhood, and womanhood. Club activities include: Sister Circle (a safe place for girls to express their emotions), Fitness (different forms of exercise such as cardio and weight training), Health (experimenting with different foods like vegetable and fruit shakes), and Exchange (informing others of what we are learning).

- Meeting Time and Place: TBD

DANCE CLUB

Advisor: Mrs. Goins-Morris

Dance Club is designed to help students in grades 7 and 8 develop an appreciation for dance as an art form by working together in a supportive environment. The program introduces students to the basic fundamentals of dance. Students learn the importance of self-esteem and discipline that is required of all artists.

THE WORLD IS OUR CLASSROOM CLUB

Advisor: Ashley Pryce

This club is designed to help WOK students experience life outside of Hillside. Students will learn about historical places in the USA. The culminating event is a 4-night, 5-day trip to Atlanta, GA (pending Board approval), full of tours and sightseeing!

- Meeting Time: Twice a month
- Where: Room 11

Note: The Junior Engineering

BOOK CLUB

Advisor: TBD

Book Club members will experience the joy of reading and discussing books! Members will have a chance to discuss books of their liking and share opinions on current books that have been turned into movies. Please join us in this wonderful adventure!

- Meeting Time: Twice a month
- Where: TBD

Club, Jazz and Blues Ensemble, World is Our Classroom Club, and Sister's Keeper Club are pending Board approval.

YEARBOOK CLUB

Advisor: Ms. Jewell

Yearbook Club Students will create the school's yearbook under the guidance of the advisor. Students will learn how to take pictures in a variety of settings. They will learn the skills to take candid pictures of students in the classroom and during activities. Members will be expected to attend at least one school event in order to take pictures for the yearbook. Finally, members will learn how to create the yearbook from start to finish, including: layout, cover selection, color and font selection, picture placement, topic selection and advertising.

- Meeting Time: Twice a month
- Where: Room 25

ROBOTICS CLUB

Advisor: Ms. Jewell

Robotics Club is designed to be a fun and exciting place for middle school students who wish to learn basic robotics building and programming skills. Students will begin with the help of tutorials from the LEGO Mindstorms Robot Kits and then be challenged to use those skills to have their robots perform tasks. Students will learn how to program efficiently with a GUI and the help of Bluetooth technology, and learn how sensors and motors work. In teams they will learn to be creative, to problem solve, research, plan and explore the fields of science, engineering and technology. Club meets twice a month in Room 25.

ART CLUB

Advisor: Mr. Palm

Art Club is open to all students who love art! We will work on various projects that use different materials, and will be involved with school-wide projects. Art Club will meet twice a month in Room 35.
